## RECOMMENDED SUPPLIERS

The Cow Shed Crail is a blank canvas venue and you are welcome to use any supplier. However, we thought it would be helpful to provide a list of trusted suppliers. Everyone listed below has been to the venue for a number of events and always provided a fantastic service. We do know of many more great suppliers and are very happy to share a more extensive list if requested.

Please note that we do not charge corkage as a venue, however we always advise you check with any supplier you intend to use.
